

RICHARD MCKEAGAN

SCHOLARSHIP SERIES

To highlight the importance of education and our dedication to welcoming apprentices, post-secondary graduates, and current undergraduates into the mechanical contracting industry. This initiative aims to support students by offering assistance with education & trade related expenses.

WHY CHOOSE OUR SCHOLARSHIPS?

- **INVESTING IN EDUCATION**

Our scholarships are tailored specifically for individuals pursuing careers in the mechanical contracting field, ensuring that recipients receive targeted support and resources aligned with their field of study.

- **INDUSTRY RECOGNITION**

By choosing our scholarships, applicants gain access to opportunities endorsed by MCA Canada, a leading authority in the mechanical contracting industry.

- **MAKING DREAMS POSSIBLE**

Our scholarships provide recipients with the financial support needed to pursue education and training opportunities that can lead to career advancement within the mechanical contracting sector.

- **COMMITMENT TO EXCELLENCE**

MCA Canada is dedicated to supporting the next generation of mechanical contracting professionals. Our scholarships reflect our commitment to excellence in the industry by investing in the education and development of future leaders.
